

Eadmer of Canterbury OSB, *Historia nouorum in Anglia*

Eadmeri Historia Novorum

Codicology: Paper, mm 382 x 265 (15 x 10.6 in.), pp. 166 written. Cent. **xvi**, in a good clear hand.

Foliation: ff. i-ii + iia + iib + pp. 1-154 (155-156 missing) + 157-166 + ff. iii-v.

Provenance: It is a transcript of MS. 452^[CCC452] and according to the belief of Mr Rule (*Eadmeri Historia*, *Rolls Series*^[Rule 1884], p. xii) was made at Cambridge^[1] while MS. 452^[CCC452] was in the possession of Dr Henry Johns^[1]. A letter from Robinson Bishop of Bangor^[1] to Parker^[1] (MS 114, no. 179^[CCC114B]) deals with a transcript of Eadmer^[1]'s *History*.

Bound on hinges on f. iir is a vellum leaf (6.8 x 4.5) with 33 lines of text to a page in the Christ Church^[1] hand. On this see Mr Rule^[Rule 1884], p. 1 (and xi). It is "of identical penmanship with" no. 452^[CCC452] and contains the text of pp. 233-5 of the edition beginning: "permissum est. Zepherinus quoque martir", and ending: "quapropter uident suum est consecret".

Another vellum leaf in the same hand, also **bound on hinges on f. iir**, has the capitula (35) of the *Vita Anselmi* of Eadmer^[1], liber I: on this is the name: "Joannis Episcopi London." i.e. John Stokesley^[1], 1530.

See Rule^[Rule 1884], p. xi, etc. and pp. 305-7 where the text of the capitula is given, with the variants of this leaf.

Language: Latin.

Contents:

1.

1-166 **Eadmer of Canterbury OSB^[1], *Historia nouorum in Anglia*^[1]**
